RECALLING THE LAST PARTY

It's been 20 years since the legendary nightclub Studio 54 opened its closely guarded doors, but disco fever is hot again. A new book documenting the rise and fall of Studio 54 called *The Last Party* (William Morrow)

by Anthony Haden-Guest and an accompanying exhibition, "The Last Party: Nightworld in Photographs," at the Serge Sorokko Gallery in New York are stoking the fires. It's history with a dance beat.
